Re: **Barak Logistics Corp.**

We have been dealing with Barak Logistics for a number of years now and they have proven to be a most reliable carrier for us at Campbell's.

The service has been excellent especially with changing schedules and having our materials stored at an outside location and having rush loads here on time to keep our plant operating with no down time.

Being able to have loads here anytime of the day seven days a week is the kind of service that we need and they are certainly able to handle what is requested of them.
